MUHAMMAD ZAIN

SENIOR FULL STACK WEB DEVELOPER

Karachi, Pakistan | +92 306 9067432 | iamzainzai@gmail.com

PROFESSIONAL SUMMARY

Senior Full Stack Web Developer with 8+ years of experience delivering scalable web applications and CMS solutions. Strong expertise in WordPress, Laravel, Angular, React and Next.js, with hands-on experience in API integrations, modern frontend development, database design and performance optimization. Adept at building secure, maintainable and user-centric solutions for businesses and organizations.

PROFESSIONAL EXPERIENCE

Senior Web Developer | Devmont Digital

2024 – Present

- Lead full-stack web application development using Laravel for robust backends and Angular, React and Next.js for dynamic, responsive frontends.
- Design and develop RESTful APIs, integrate third-party services and build complex administrative systems with role-based access, workflows and reporting.
- Deliver custom WordPress solutions, reusable components and scalable architectures to meet business requirements.
- Collaborate with cross-functional teams to ensure code quality, performance, security and smooth deployment of production-ready applications.

Web Developer | Wamtsol

2018 – 2024

- Developed and maintained dynamic websites and web applications using PHP, Laravel and WordPress.
- Created custom WordPress themes and plugins with Advanced Custom Fields (ACF) and integrated third-party APIs.
- Built responsive frontend interfaces using JavaScript, jQuery, React and modern CSS frameworks.
- Optimized website performance, handled database queries, debugging, bug fixes and ongoing maintenance for multiple client projects.
